NEW SOLO, DUO, TRIO OPTION

All dancers on the Performance Team are allowed to join the competition addition to the Performance Team. This is a great opportunity for the more serious dancers who'd like to be part of the wonderful world of dance competition without having to make a full-time commitment. Dancers will compete in two local competitions.

Dancers can register for a solo, duo or trio and have a personalized 20 minute lesson 3 times per month from September to June. Packages would include private lesson time and choreography. Dance families are responsible for competition entry fees. For more information regarding competition packages, please contact Christine@itwdance.com.
